

OFFICE OF
THE DIRECTOR OF CENTRAL INTELLIGENCE
WASHINGTON 25, D. C.

MEMORANDUM FOR: Lt. General Joseph F. Carroll
Deputy Intelligence Agency
Mr. Roger Hillman
Department of State
Lt. General Gordon A. Hsiao
National Security Agency

I am advised that the President's Foreign Intelligence Advisory Board will wish to meet with me to discuss the report on the Cuban offensive missile problem requested by them, at about mid-day on Friday, December 7th. I am also advised that the Working Group will not have completed their report prior to December 7th and therefore our commander, and DRIE, will not have an opportunity to review the report prior to my meeting with the Millen Board.

I do not understand that a Working Group of the President's Board, made up of four Board members, plans to spend Thursday, December 6th, reviewing the work being done on the report so that the Board itself can handle it more expeditiously. I am arranging that the Working Group will have access to the Task Force who are preparing the reports on Thursday, but I have advised Mr. Coyle that the complete report will not be available on that day.

I suggest the following:

(1) That we meet, as a Joint committee, with the Task Force from 9:00 to 9:30 on Wednesday afternoon, December 5th, to review the status of the Task Force's work and to establish so far as possible tentative agreed conclusions.

(2) This meeting will be held in my Conference Room, and in view of this meeting the proposed get-together on December 5th is canceled.

(2) We arrange to meet with the President's Board's Working Group at 10:00 in my dining room on Thursday, December 6th, for a preliminary informal discussion of the problem. 2:00 P.M.

(3) That the discussions with the President's Board on Friday take the form of a progress report rather than a final report and that we meet either individually or as a group, depending upon the wishes of Dr. Killian. 10:30 A.M. - (297 EC13)

(5) That USIB consider and note the report prior to its release to the President's Board and that this be done at our meeting on Wednesday, December 12th if possible and, if not, at the next meeting which would be December 17th.

I hope these arrangements will meet with your approval. However if you have modifications, your suggestions will be most welcome.
